Enjoy your explorations and experiences!

MUSEUM

Discover the interactive exhibitions on transport, mobility and energy.

ENERGY

Energy knowledge, sustainability, Power Journey: explore topical issues in a fun way. Towards a sustainable energy supply.

RAIL TRANSPORT

Next stop: Museum of Transport. Locomotives, Gotthard railway model, visions of the past and future. Keeping Switzerland running smoothly with rail transport.

ROAD TRANSPORT

Racing motorbikes, the mirror maze: pick your dream car and climb onto a penny farthing. Ready, set, go!

NAVIGATION, CABLEWAYS AND TOURISM

Steamboats, lock model, cableways: conquer rivers, lakes and mountains. Full steam ahead! And new: Media literacy exhibition "Really?!"

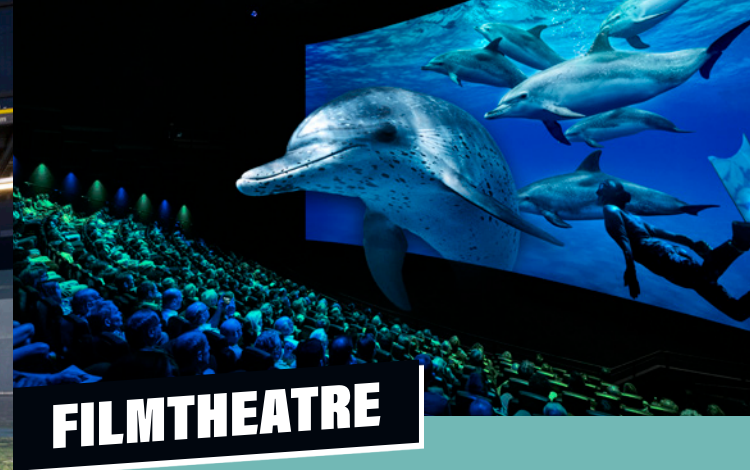

AVIATION AND SPACE TRAVEL

Helicopters, rockets, flight simulators: experience the adventure of flight and learn about space travel. Ready to launch?

MEDIA WORLD

Greenscreen studio, VR and mixed reality experiences: discover the diverse world of new media. Put on your glasses and dive in.

 Discover new additions and classic pieces from the exhibition

FILMTHEATRE

Documentaries, feature films, operas: see films on Switzerland's largest screen. Immerse yourself in incomparable 3D worlds. Take your seat and enjoy.
